Tamworth Baseball Incorporated
General Meeting
West Leagues Club
19th December 2022

Members Present: David McMurray, Brad Smith, Renae Madams, Hayley Bullock, Jo Ridgewell.

Apology:

Meeting commenced 7:38pm

Hayley – Country Music Roster – We have 24 slots up for grabs but could get more as Cricket may drop some.

Renae – Panda's are in for some shifts

Hayley – Cougars are in also

Brad – Outlaws would like to try and cover some shifts also

Dave – Renae can we follow up on the interest on the number of shifts each club would like.

Renae – I will aim to have the rosters finalised by 31st Dec.

Hayley – We need a database or names and numbers of each person on the shifts. We also need to make sure the clubs have a mix of shift times and not just take the after-work PM ones.

Dave – Have we had any reply via email regarding the communication contact details of the clubs?

Renae – No, no reply yet.

Dave – Please follow up

Dave – We got a grant for a ride on via Hayley's submission. John Deere gave us a quote for a new device as well as Toro. We are waiting on the chance to speak to Trent on further suggestions on suitable devices. John Deere has some new devices coming in in the new year, but they have to be reserved to guarantee availability. Can I reserve one, no deposit or buy guarantee needs to be made.

Dave – Summer Baseball – Do we want to run it again this coming year - 6 weeks long

Renae – When was it run last time?

Hayley – Mid Feb to Easter

Dave – Lets have a think about it and have a meeting regarding it straight after Country Music.

Hayley – Are we doing canteen during Country Music?

Dave – Maybe no as the number of members to do it will be limited due to the gate shifts. Maybe TBI can take on some gate shifts instead to make guaranteed money.

Renae – James has sent through the governance docs so I will work through them and get them on the website and available to all the TBI members.

Next meeting to be 23rd January 7:30pm via zoom.

Closed: 8:02pm
